MORE POLICE SHAKEUP TALK

In spite of Chief Gleason's denials the story still spreads that there will soon be an important shakeup in the police department.

It is said this shakeup will effect the 22d street station, East and West Chicago avenues, Desplaines, detective bureau, Englewood and Warren avenue stations.

There is a report that Capt. Rehm, East Chicago avenue, is to be retired, and that Capt. Ryan, 22d street, will take his place, while Capt. Meagher, Desplaines, will either get the detective bureau or will be sent to 22d street.

Capt. Halpin will in all probability take a leave of absence. Healy, West Chicago, may be sent to Englewood.
